DUTIES OF AN EXECUTIVE OFFICER

- As an Executive officer, you would be at the helm of affairs in ships. Executive officers are leaders of men, strategists of modern warfare and ambassadors of our country when in foreign waters. Modern warships are highly evolved fighting machines needing capable and decisive leaders to operate them. A glorious career would see many highpoints and chief among them would be command at sea. Executive officers actively participate in all facets of Naval operations – above, below and on the surface of the sea. They are specialists in Missile and Gunnery, Anti-Submarine Warfare, Electronic Warfare and Communications, Navigation and Direction, Hydrography and NBCD.

DUTIES OF A HYDROGRAPHIC OFFICER

- Hydrography is one of the sub-specialisations of the Executive branch of the Indian Navy, which qualifies officers to undertake Hydrographic Surveys of uncharted Indian & foreign waters for production of nautical charts for safe navigation at sea. Hydrography not only contributes towards safety at sea, but also plays a big role in successful completion of various coastal/offshore developmental projects. It is a highly challenging and satisfying discipline. The National Hydrographic Department of the Navy is one of the most advanced hydrographic services in the world. Officers joining the cadre will undergo internationally recognised hydrographic courses, which would qualify them to undertake hydrographic tasks all over the world. Those joining Hydrographic Service would also get an opportunity to serve at the National Hydrographic Office, Dehradun and the National Hydrographic School at Goa which are internationally acclaimed for their modern chart production and hydrographic training facilities respectively.
