- 2) A main complaint by the KTU students was regarding the conduct of internal examinations. They have complained that having 2 exams per day and exams on continuous dates felt difficult to them. Another concern was regarding the less marks scored in the internal examinations.
- 3) It is decided to conduct a 3rd internal exam and the best 2 marks scored out of the 3 will be taken to calculate the internal marks.
- 4) It is also decided to conduct the 3rd internal exam with at least one day gap between the examination dates. Because of the shortage of time we are not able to conduct one exam per day. However it is decided to inform the principal about the difficulty faced by the students.
