INSTRUCTIONS FOR HOSTEL INMATES

- Those students who are coming from abroad/other states must find their own quarantine facility.
- All hostel inmates must be in possession of Covid – 19 negative certificates procured within 48 hours before hostel entry. They will not be allowed to go home or outside the campus. If they do, they have to test before being let in.
- All students have to wear masks and should have individual sanitizer in their rooms.
- They have to bring a reasonable number of masks preferably reusable type. Used masks should be discarded only at the specified points.
- To ensure social distancing, gathering in any form will not be permitted in the premises.
- Unwanted movements of inmates are strictly prohibited.
- Check-in should be between 10 a.m. and 5 p.m.
- It is preferable to bring and keep your own utensils (steel plate, glass etc.) for the purpose of taking food from the mess.
- All inmates have to strictly observe these instructions. Noncompliance with these instructions will lead to immediate expulsion from the hostel.
